Spanish Language Business Training, Technical Assistance and Micro-Lending Programs in Washington State

Tuesday, June 16th, 2020, 2:00 - 3:30, Live Panel Discussion on Zoom

Register at <https://mailchi.mp/df74c68bc65b/wsma6-16-20>

Providing business services to Spanish speakers is critical to our state's economy. The Washington State Microenterprise Association (WSMA) is presenting this interactive panel discussion by leaders in our network because their business training, technical assistance and microlending services in Spanish are creating pathways to prosperity for hundreds of Latinos who are selling products and services we use every day. WSMA is fortunate to work with several Washington based Microenterprise Development Organizations (MDOs) who are spearheading this work regionally. Join us for this informative discussion as Ventures, Mercy Corps Northwest, and the Center for Business Development share about their programs, offer tools and information, and answer questions about their business services to Spanish speakers who want to start or expand their small businesses in several rural and urban communities in Washington.

Featured Panelists:

Maria Rodriguez, Center for Business Development

Cinthya Montero, Mercy Corps Northwest

Bonnie Cheffelle, Ventures

Christian Morales, Ventures

Black Lives Matter!

We at HBPA stand against racism and inequality. We stand with our brothers and sisters of the Black community. We see you, we hear you, and we stand with you. We stand with the Black community, we support Black Lives Matter movement, we demand change and will continue to stand against social injustice. Communities of Color but especially the Black community have fallen victims of the system that intentionally oppresses our people. We will not stay silent anymore.

YWCA 14-Day Racial Equity & Social Justice Challenge

Over the last several weeks of pain and unrest in our country, many have asked us "what can I do to help and make a difference?" Consider signing up for the YWCA 14-Day Racial Equity & Social Justice Challenge, brought to you by YWCA Spokane's Racial and Social Justice Committee. This Challenge will start Monday, June 15th and will run through Sunday, June 28th. Invite friends, family, and co-workers and join us for daily challenges focused on promoting peace, justice, freedom, and dignity for all.

YWCA Spokane is kicking off a [14-day Racial Equity and Social Justice Challenge](#) this month, and urge you to join YWCA Spokane in committing to dismantle racism in all the insidious, deeply-ingrained ways it has infected our country. Maybe that means joining peaceful protests, reading literature on how to recognize racism and injustice, taking action to prevent and stop hate and injustice, having tough conversations with loved ones, or engaging with our elected officials to improve our society and our laws. Our work together can root out injustice, transform institutions, and create a community that sees women, girls, and people of color the way we do: Equal. Powerful. Unstoppable.

YWCA is on a mission to eliminate racism, and your voice is vital to ensuring we live up to this legacy in Spokane. Whatever you do to join us in our Mission, SPEAK OUT FOR JUSTICE.
